22 ayes, 17 nays, remainder not voting.

PRESIDENT: Motion fails. Senator Moylan.

SENATOR MOYLAN: Mr. President, am I in order now to ask that LB 126 be advanced?

PRESIDENT: Yes sir.

SENATOR MOYLAN: I ask that it be advanced to E & R for engrossing.

PRESIDENT: The question is the advancement of LB 126. Any discussion? All those in favor say aye. Contrary nay. The ayes have it. The bill is advanced.

Mr. Speaker, would you please approach the Clerk's desk.

We'll stand at ease for just a couple minutes.

CLERK: The next motion pending is LB 66 by Senator Chambers who isn't here.

AT EASE

PRESIDENT: The House will again come to order. There's been amendment to the agenda, after a conference between the Speaker and the Clerk. Mr. Clerk will you kindly read what we are about to do.

CLERK: The first one I guess considering Senator Chambers isn't here, we'll take up 111 if that's what you want to do. I don't know what you want to do. Mr. President, I move to withdraw the Warner amendment on LB 111 on page 735 of the Journal. Signed, Senator Warner. I guess that's unanimous consent to withdraw that amendment.

PRESIDENT: Senator Warner, I'd like to recognize you because you have the motion, but Senator Lewis is trying to get the Chair's attention. Senator Lewis.

SENATOR R. LEWIS: Mr. Speaker and members of the Legislature, LB 66 is my bill. Senator Chambers and I have visited about this amendment. I would like to have unanimous consent to return 66 to Select File for this amendment. We could print it in the Journal then.

PRESIDENT: Senator, I wish I'd recognized you earlier but could we ask your indulgence and take this up right after Senator Warner's matter?

SENATOR R. LEWIS: Certainly.
